

Reinventing Work

A Four Month Coaching Program for
New Entrepreneurs and Solopreneurs

Congratulations!

You've taken control of your work and are starting a new business.

This will be one of the most exciting challenges you ever take on.

Reinventing yourself as an entrepreneur and solopreneur offers many opportunities to learn new skills and stretch yourself mentally, socially and emotionally.

To be successful, experience shows (both in my own business and that of my clients) that you need a strong knowledgeable support network: Financial Planners, Marketing Strategists, Tech Support and yes, a Professional Coach.

My name is Francine Campone and I am offering you a special package of services that will jumpstart your new career. As your part of your team, I will help you:

- *Identify the core strengths you bring to your new enterprise*
- *Determine and emphasize your learning edges*
- *Reinvent your identity so you step into your new role with confidence and authenticity*
- *Create a plan to sustain your success over the long run*

You Deserve Success and The Support to Get There.

Your Personalized Four Month Program
is just \$2100 and Includes:

*12 Hours of Individual Coaching
Customized Low-Risk Learning
and Experimentation Plan*

*Profile Instruments/Assessments and Report
Weekly Email Check-ins*
